

Health Net Health Plan of Oregon, Inc.

BeneFacts: PPO Single High Deductible Health Plan Copayment and Coinsurance Schedule HD25008060/09

PPO: Two plans, many choices. In health insurance, PPO stands for Preferred Provider Organization. For you, PPO means that you have flexibility and choice in deciding who will provide your health care. That's because this plan lets you receive services from Providers in our PPO network or Providers out of our network. Who performs the services determines which benefit level applies to covered services and how much you will pay out-of-pocket. To confirm whether a Provider participates in our PPO network and to verify which benefit level will apply to a covered service, please contact one of our Customer Contact Center representatives.

PPO Benefits: When you receive covered services from Providers in our PPO network, your expenses include a Calendar Year deductible, fixed dollar amounts for certain services or a fixed percentage that is applied to our contracted rates with PPO Providers. *The percentage of our contracted rate that is your responsibility is shown on this schedule as % contract rate.*

When you receive covered services from a Provider in our PPO network, you are not responsible for charges that are above our contracted rates. We recommend that you contact your attending Provider to discuss the ancillary Providers that may be used for your services, as Out-of-Network Provider charges will be reimbursed at the Out-of-Network level. **Certain services including but not limited to Birthing Center services, Home Health Care, home infusion services, organ and tissue transplant services, Durable Medical Equipment, and External Prosthetic Devices/Orthotic Devices are covered only if provided by a designated Specialty Care Provider. See Article 1.5 of the Basic Benefit Schedule.**

Out-of-Network Benefits: When services are performed by a Provider who is not in our PPO network, your expenses include a Calendar Year deductible, fixed dollar amounts for certain services and a fixed percentage of Maximum Allowable Amount (MAA) rates for other services. We pay Out-of-Network Providers based on MAA rates, not on billed amounts. MAA rates may often be less than the amount a Provider bills for a service. Out-of-Network Providers may therefore hold you responsible for amounts they charge that exceed the MAA rates we pay. Amounts that exceed our MAA rates are not covered and do not apply to your annual out-of-pocket maximum. *Your responsibility for any amounts that exceed our MAA payment is shown on this schedule as MAA.*

Your benefits are subject to deductibles, Copayments and Coinsurance amounts listed in this schedule.

For covered services, you are responsible for:

Calendar Year Deductible	PPO Network	Out-of-Network
Annual deductible: Single coverage	\$2,500 ¹	\$5,000 ¹

NOTE: The deductible carryover provision in Article 19.27 of the Group Medical and Hospital Service Agreement does not apply.
